Digital Textbooks, Content, & Course Materials: This covers all digital content including digital textbooks and online programs. This fee also covers all other classroom and lab materials used during the year. You may also be required to purchase a limited number of print books and workbooks through our online bookstore.

New England Prep & Sara App: In an effort to provide the very best SAT/ACT Prep to our students, American Heritage has partnered with the New England Prep Program which is administered 20 minutes per week in High School math and English classes. Students also receive access to the Sara App for at home practice. Over the course of three years, students will receive over 60 hours of test preparation.

Activities: Students receive a yearbook and a school ID. This also covers PTO dues, and free admission to regular season on-campus athletic events and all Fine Arts productions.

Technology: This covers computer licenses for 24 database subscriptions which students can access on campus and from home. Included also are student subscriptions to Turnitin.com and Noodletools. Funds are also used to maintain current hardware and software needs to support teaching and learning across campus and to provide for campus-wide broadband wi-fi.
